PARA, PURULIA (W.B.)
(Affiliated to C.B.S.E., New Delhi)

Monthly Report – October 2025

1. Tata Building India Essay Competition

The Tata Building India Essay Competition, organized by the Tata Group, was held on **10th October** for students of Grades VI to XII. The topic for the competition was *“Five Things I Will Do to Build a Self-Reliant India.”* Students enthusiastically expressed their innovative ideas and patriotic vision through their essays. The event aimed to nurture responsible future citizens committed to nation-building. School-level winners were felicitated with **certificates and medals**, appreciating their thoughtful contributions.

2. Workshop on Finnish Pedagogy by Ms. Lena Glenmark

A two-day workshop on **11th and 12th October** was conducted by **Ms. Lena Glenmark** from Finland, focusing on the theme *“Finnish Pedagogy.”* The workshop brought together **25 teachers from various cities** to explore Finland’s world-renowned education practices. It offered valuable insights into student-centered teaching methodologies, creative learning environments, and teacher empowerment. The sessions were interactive and inspiring, providing participants with fresh perspectives to enrich their classroom practices.

3. Interaction with Filix School Teachers and Students

Continuing her engagement, **Ms. Lena Glenmark** addressed the **teachers of Filix School** on **13th October**, sharing her experiences and emphasizing the importance of holistic education. On **14th October**, she conducted a special class for students of **Grades V and VII**, introducing them to engaging learning techniques from the Finnish education model. The sessions were highly appreciated by both teachers and students.

4. Orientation Session for Class XI (Session 2026–27)

The first **Orientation Session for Class XI (2026–27)** was held on **12th October** in the **STEM Lab**. The session aimed to familiarize students and parents with the academic framework and future opportunities. The event was graced by **teachers from Bokaro’s Fly High team** and **Ms. Priyanka Ghosh, Academic Director**, alongside the leadership team at Filix, who guided students about subject choices, skill-based learning, and career readiness. It was an informative and inspiring session for all attendees.

5. Halloween and Diwali Celebration (KG Section)

The **Kindergarten students** celebrated **Halloween and Diwali** on **17th October** with immense enthusiasm and joy. Dressed in vibrant costumes, the little ones participated in fun activities, songs, and craft sessions that reflected the spirit of both festivals. The celebrations helped students understand cultural diversity and the value of joy, creativity, and togetherness.

6. Sensitisation Programme on HIV/AIDS

On **18th October**, a **Sensitisation Programme on HIV/AIDS** was organized for students of **Grades X to XII** by representatives from the **Jila Swasthya Bhavan, Purulia**. The team conducted an engaging presentation highlighting the **causes, precautions, and treatment** related to HIV/AIDS. A creative **magic show** was also presented to spread awareness in an interactive and memorable way. The session helped promote empathy, understanding, and responsible behavior among students.

7. Workshop on Storytelling, Science Fiction, and Zine Making

A dynamic workshop was conducted on **27th October** for students of **Grades III to VIII** by *The Anonym Collection Group* from Kolkata. The session combined **storytelling, science fiction, and zine-making**, inspiring students to express their imagination through art and narrative writing. It encouraged creativity, teamwork, and curiosity in young learners.

8. Visit of MS Ramaiah Group Delegation

On **27th October**, **Mr. Viswanath K, CEO of the MS Ramaiah Group**, along with another senior representative, visited **Filix School of Education**. The two-member delegation was deeply impressed by the **innovative pedagogy and learning environment** at the school. A warm welcome was organized in the **STEM Lab**, where students showcased their talents in **Mathematics, Physics, Microbiology, and STEM-based projects**. The visitors praised the students' creativity, confidence, and conceptual clarity, expressing great appreciation for the school's educational approach and culture of excellence.

9. Inauguration of East Bengal School of Excellence

A momentous event took place with the **Inauguration of the East Bengal School of Excellence at Filix School of Education**, in collaboration with the **East Bengal Club on 25th October**. This initiative marks the beginning of a **national-level football coaching programme** for students, led by professional **coaches from the East Bengal Club**. The programme aims to identify and nurture young sporting talent, providing structured training and exposure to professional standards. The collaboration reflects the school's commitment to promoting sports excellence alongside academic growth.

10. Finland Maths Olympiad Achievements

We are proud to share that **Monali Mahato (Grade IV)** secured **1st place at the National Level** in the **Finland Maths Olympiad 2025**, winning a **backpack**. **Surjadeep Dutta (Grade VII)** achieved **3rd place nationally**, receiving a **smartwatch**, while **Akash Mahato (Grade III)** was awarded a **certificate** for securing **7th place**. Their remarkable achievements have brought immense pride to the school community.

11. Library Renovation

The **school library** has been newly set up and now fully **complies with CBSE norms**. The redesigned space offers a welcoming and resource-rich environment to promote reading habits and research-based learning among students.

12. Mock Assessment for SAFAL

A **mock assessment for SAFAL** was conducted on **29th October** to prepare students for the upcoming evaluation. The exercise helped them familiarize themselves with the assessment pattern and improved their readiness for the actual examination.

13. Participation in CBSE Reading Challenge

Students from various grades enthusiastically participated in the **CBSE Reading Challenge**, designed to promote comprehension, critical thinking, and reading fluency. The activity fostered a love for reading and encouraged students to develop lifelong literacy skills.
