Global Recognition for Sristi Chakraborty in Design for Change

Filix School of Education is proud to share that **Sristi Chakraborty (Grade VIII Aspiration)** has been selected as a member of the **Design for Change Student Council Global Forum** and will represent India as the sole student representative from the country at the Annual Summit in Greece in November 2026. As she joins young changemakers from across the world, Sristi carries with her the spirit of Filix—compassionate, courageous and committed to positive change. This remarkable achievement reflects the school's belief in empowering children to lead with empathy and confidence. Through Sristi, Filix proudly takes its place on the global stage as a community that nurtures leadership, hope and meaningful action.

Celebration of International Mother Language Day

International Mother Language Day was celebrated with great enthusiasm in the school. Students participated in a variety of activities including paragraph writing, painting, essay writing, letter writing and storytelling, highlighting the beauty and importance of linguistic diversity. The school choir also presented melodious songs in Hindi and Bengali, adding to the spirit of the celebration.

Teacher Training Camps on HPC

Teacher training camps on HPC were organised for educators from different regions. In the first phase, teachers from **Government Schools of Ladakh** participated, followed by a second batch from the **Navkis Group of Schools, Bengaluru**. The sessions were conducted and facilitated by Filix teachers, focusing on pedagogical development and collaborative learning.

Farewell Ceremony for Class XII Students

A warm and memorable farewell was organised by the students of Class XI for their seniors of Class XII. The programme celebrated the journey of the outgoing batch with heartfelt messages and good wishes for their future endeavours. On this occasion, group photographs of Class X and Class XII students were also taken with their teachers, capturing cherished memories of their school years.

CBSE Mock Digital Evaluation for Teachers

Teachers of Classes XI and XII participated in the **Mock Digital Evaluation**, a new initiative introduced by CBSE to familiarise educators with the digital evaluation process for board examinations. The exercise helped teachers understand the new system and ensured preparedness for the evolving examination and evaluation framework.
